Arrowhead Elementary Parent Teacher, Community Organization (PTCO).

Every parent at Arrowhead is automatically a member of the PTCO. Teachers, administrators and the community are also members. Our goal is to work together to support Arrowhead's students and staff. The PTCO is a 501(c)(3) non-profit organization that raises money to better our children's elementary school experience. We are currently raising funds for a new Kindergarten playground! Many fundraising activities are in the form of fun family events, including the school carnival and bingo nights. Funds raised will be used for classroom education and our playground campaign - resources that provide a direct benefit to our students.

Our Mission: Empower Parents, **Encourage** Teachers, **Connect** Community.

We **EMPOWER** parents by: Encouraging involvement and building lasting relationships with other families.

We **ENCOURAGE** teachers by: Providing supplies in the classroom and showing them appreciation through our time and commitment to help.

We **CONNECT** community by:
Strengthening the bonds between families, neighborhoods and surrounding community members.

...all for the good of our children
