

VOLUNTEERING AT ARROWHEAD!

There are many volunteer opportunities here at Arrowhead! Parents, Grandparents or other family members are encouraged to help for an hour or two or more! If each family pledged just two hours of time during the entire school year - imagine what we could accomplish!

Classroom and Grade Level

Teachers are always looking for extra help in the classroom. Contact your child's teacher or any teacher that you would like to help. They will put you to work!

Reading with students	Friday folders
Filing student work	Project/activity support in the classroom
Chaperoning Field Trips	Supporting students in small group work
Share family traditions	Organizing or helping during class parties
Assisting with grade level projects in the classroom (i.e. gifts to make and take home).	
Primary levels (K-2) guest readers, star of the week, help put up/take down artwork.	

Library

Our Librarian, Mrs. Ronish, always needs an extra pair of hands!

- Checking in or shelving books
- General support with keeping the library organized.
- Volunteers to work in 1 - 2 hour shifts during book fairs.

PTCO and All-School Events

We have events throughout the year that require several volunteers at one time. Many of these events are organized by our Parent Group (PTCO). Events include:

Bingo	Carnival
Distributing catalog items	Fun Run
Chaperoning dance	Volunteers for field day

- Conference Days and Nights (snacks, lunch, dinner provided for teachers)
- Teacher Appreciation Week (in May, special projects or lunch/desserts/snacks)
- Bakes Goods for Carnival and Bingo night.

Items to Donate

We will also accept gently used toys (trinkets) and stuffed animals. We use these as prizes during the carnival as well as for classrooms.
