

PTCO Fundraising

How much we made: TOTAL: \$27,000

Fundraisers included a catalog sale, carnival, craft fair, .50 hat days, restaurant nights, box tops, Snapbooster and the fun run.

How we used the funds:

Over half of the money raised went to technology, including our Tech Para. We used funds for the school carnival, teacher grants, the multi-cultural event, teacher appreciation and teacher meals for school conference late nights & field day, family fun/movie nights, special events such as Kindergarten and 5th grade graduations. Also for administrative purposes such as annual fees and office supplies. Labels for Education program allowed us to purchase two beverage coolers which have been used for school events such as field day and the fun run.

Business Donations:

All donations (value of approximately \$900) went directly to meals for teachers during teacher appreciation week as well as late nights for conferences. Specials thanks to:

Dunkin Donuts (Smoky Hill)
King Soopers (Tower & Hampden)
Safeway (Tower & Hampden)
Sprouts (Smoky Hill & Picadilly)
Starbucks Coffee (Tower & Hampden)
Village Inn (Tower & Hampden)

Additional thanks to Dairy Queen (Tower & Hampden) for their generous donations of cakes for box top winners, gift certificates and coupons for our raffle basket items during Bingo nights. Also to Angelo's Cd's, Avs, Broncos, Doc's Video Games, Domino's, Jersey Mike's Subs, Lowes, Horizon Middle School, Skate City and Z-Ultimate Self Defense.

If you have questions about PTCO or would like to volunteer or support our school, please contact us at arrowheadptco@mail.com. We look forward to working with you!
